

Provincia, blocco sui precari Cgil: ma il Tar è dalla nostra

Paola Brianti

Si fa sempre più dura l'attesa per i 66 precari della Provincia, che se dalla loro sembrano avere il Tar si ritrovano contro il muro della Finanziaria. Perché come spiega Barbara Lori, Cgil Fp, «la circolare del ministro Nicolaï che secondo l'amministrazione provinciale escludeva categoricamente la stabilizzazione di personale precario in servizio da tre anni è rivolta soltanto ai ministeri. Lo ha dichiarato il Tar del Lazio in una recente sentenza relativa alle richieste dell'amministrazione di Ascoli Piceno, un caso cui anche in piazzale della Pace si guardava con interesse. Ad Ascoli ora è possibile stabilizzare 56 Co.co. ed è quanto chiediamo anche noi». Almeno per i 25 che hanno maturato il requisito dei tre anni di anzianità, mentre la Provincia ha proposto assunzioni entro il 2009 precedute da un concorso. La Cgil ha buttato sul tavolo un sì al concorso per chi è privo dell'anzianità ma con una riserva: nel caso in cui a vincerlo fosse un precario già interno, la proposta è di stabilizzarlo immediatamente, nel caso il posto tocchi invece a un esterno, attendere per lui la fine del 2009. E qui si è bloccata la trattativa.

Ma potrebbero rimescolarsi le carte dopo l'emendamento 1441 quater, nuova bestia nera dei precari statali. I 66 della Provincia, dopo aver incrociato le dita (e pure le braccia),

da una manciata di righe inserte dal governo nella Finanziaria 2009 potrebbero veder azzerata la possibilità del posto fisso nell'ente di piazzale della Pace, nonostante le due ultime manovre firmate da Romano Prodi prevedessero che i lavoratori a tempo determinato potevano accedere alla stabilizzazione con tre anni di anzianità. Cautamente, l'assessore al Personale Emanuele Conte spiega: «Prima di fare dichiara-

zioni ufficiali, dovrò aspettare la lettura del documento originale, ma sembra che di stabilizzazione non si possa più parlare. Noi comunque andiamo avanti con i concorsi». «Non ho ancora in mano l'emendamento - risponde Lori - e non so dire se sia specifico delle funzioni centrali o se riguardi invece anche gli enti locali. Comunque, anche se toccasse la Provincia, sarebbe a partire dal 2009, salvo pensare a norme

retroattive, il che mi sembra alquanto difficile. Chi matura i tre anni entro il 31 dicembre del 2008 non dovrebbe esserne toccato». Ma Conte non si sbilancia: «Per ora abbiamo le mani legate». E c'è da aspettarsi che l'ex collega di partito Walter Aiello, ora segretario di Rifondazione comunista dalla quale l'assessore ha recentemente divorziato, avrà su questo tema un'attenzione tutta particolare.

Precari
Sono 66 i contratti a tempo determinato della Provincia che attendono l'assunzione dopo aver raggiunto i tre anni di anzianità
